**Explanation of Responses:**

- The reporting person's method of reporting restricted stock units and the dividends on restricted stock units has been revised to report such grants and dividends in Table I rather than as previously reported in Table II. Accordingly, the balance includes unvested restricted stock units and accrued dividends previously reported in Table II.
- Each share of phantom stock is the economic equivalent of one share of common stock. The shares of phantom stock become payable in common stock upon the reporting person's termination of service as a director.
- Comprised of phantom stock acquired as a result of accrued dividends.
